PARTY GIRL NOTES

- Please make sure you know who your daughter is sharing her costume with so you can communicate with the parent during rehearsals and performances. Cast A will bring the costume (on the exact labeled hanger that was issued) to the Paramount the week of Nutcracker, and it will stay there all week. Cast B is responsible for returning it to the studio during Costume Check-In on Monday following Nutcracker (on the exact labeled hanger issued). Costumes must be hung up at all times on the exact labeled hanger issued when they are not being worn. NO eating in costume. NO gum backstage!
- Make sure there is a bow to go with the dress. If there isn't, one needs to be made. If this is something you are willing to do, that is great! If not, let us know so we can make sure it gets taken care of.
- Girls need to wear black canvas split sole So Danca ballet shoes (with criss cross elastics and no drawstring), pink tights, pantaloons, and dress. They can wear a light colored or nude leotard under the dress. Hair needs to be pulled back in a slick bun with a curly hair piece over the bun (unless you have good curls already and no quick changes) and the bow.
- Ms. Lisa can order black criss cross ballet shoes for your dancer but please do not wait too late. They must be ordered and we need to allow enough time to get them in. Nude leotards are in stock and available at Pink Bananas.
- **Stage Make-up:** foundation, eye shadow (in complimentary shade), eye liner, mascara, rosy pink blush, and true red lipstick. PLEASE use a color stay lipstick that doesn't rub off on our costumes that we share with both casts. We recommend "Super Stay 24 Color" by Maybelline. The shade is "Keep it red" #035. NO GLITTER IN THE PARTY SCENE! THANK YOU!
